

ATTENTION CONTRACTORS!

NEED HELP PREPARING FOR YOUR PSI EXAMS?

Contractors Seminars, Inc. offers comprehensive courses for contractors, which cover the plans, math and estimating, material take off, load calculations, isometrics, and a complete set up of construction reference books and materials which are allowed to be used on your exam and can be taken into the examination site.

They have been providing the most complete exam preparation courses available to the contractors of South Carolina for over 25 years. Their instructors have passed PSI exams, have been contractors and are licensed by the states of South Carolina and North Carolina.

FOR MORE INFORMATION, PLEASE VISIT: WWW.SCEXAMS.COM

Check with your McCall's Representative for questions or if you need financing to help with the cost of the class.
