

# NEED A HVAC LICENSE? WE CAN HELP!

## PAUL CALVO SCHOOL

WE'LL HELP YOU PASS YOUR PSI EXAM!

We're an exam prep school for the building and construction industry serving Columbia, Greenville and Charleston, South Carolina.

Our instructors are trained in exam preparation. We offer courses covering plans, math, estimating, load calculations, and isometrics. Seminars provide study guides and practice tests to help prepare you for your desired license.

We have a pass guarantee good for one year. If you do not pass your exam on your first attempt, you can attend that scheduled class again free of charge with your PSI test results.
