Ruud 13 SEER A/C Condenser 13AJN18A01 1.5 Ton

Features:

Enjoy the Benefits of Reliable Comfort

The Ruud Value Series Air Conditioner is designed to give you proven quality and lasting comfort from a name you trust and a price you'll love.

Energy-Efficient Cooling Legendary Scroll® compressor technology delivers proven durability and enhanced efficiencies, providing continuous comfort with less energy usage. Your energy savings are further increased by a cooling efficiency rating of up to 16.5 SEER.

Low-Cost Maintenance Convenient access to internal components means contractors can make most adjustments without shutting the entire system down, keeping their time and your cost to a minimum.

Enjoy Long-Lasting Quality and Comfort

We understand that purchasing heating and cooling equipment is an investment. With Ruud, it's one you can expect to continually perform and deliver value for your family long-term. We've designed the Ruud Value Series to provide comfort you can count on.

Protective Design Full metal cabinet protects the coil from hail, lawn debris and keeps curious children safe.

Superior Finish Painted metal cabinet is rated to withstand a 500 hour salt spray test, guarding against the elements and rust, keeping your investment visually pleasing.

Ruud Quality Complete factory run testing ensures your Ruud equipment operates at peak performance before being installed in your home.

Note: Please inquire about the Warranty at the time of purchase.
