### **City of Johnsonville**

***A Friendly, Wonderful Place to Visit & Live!***

The City of Johnsonville is a great place to live, a wonderful place to relocate or open up a new small business. A small City with friendly, caring people that supports local businesses. Johnsonville, like many small cities and towns throughout the country and South Carolina, is on a path to grow.

Johnsonville is a small community that offers excellent schools from 4K to 12th grade, some of the best schools in South Carolina, along with some of the most friendly and welcoming people you will ever meet. The city has an abundance of churches and community endeavors. Johnsonville is an easy commute to Myrtle Beach, Florence, Georgetown, Columbia and Charleston. It is situated on the banks of the beautiful Lynches River where many activities and historical stories abound. Downtown revitalization and a Johnsonville Area Chamber of Commerce are in motion, and the people of the area make the positive difference between here and anywhere you may visit.
